

ORAL LANGUAGE

The language used in speaking and listening

Talk Have conversations between each other and about books. Talk about the past and future.

Describe Describe what your child is doing and what you are doing.

Respond Respond to the questions asked by your child.

Expand Expand your child's vocabulary. Use "rare" words and talk about what they mean. Find opportunities to use them again.

Wait Wait patiently for your child to respond. Your child may need five seconds or more to answer.
